Introducing the 4+1 Volunteer Program

Austin Runners Club is proud to introduce our new 4 + 1 Volunteer Program for any member who joins at the **Teammate** level or above. The 4 + 1 Volunteer Program allows members to get involved in our community, races, and programs, and earn a free race entry.

All eligible members may choose to participate in our 4+1 Volunteer Program. Members of the Austin Runners Club who volunteer at 4 MK/ARC events receive one entry into The Daisy Dash, Decker Challenge half marathon, or Distance Challenge. Volunteers also receive a free volunteer shirt.
